*Visit Dalyan, Turtle Beach, Dalyan River*

*...just 15mins away from Villa*

Iztuzu Beach is the nearest beach from the villa. An excellent swimming beach, İztuzu (Turtle) Beach is one of the Mediterranean nesting sites of the **loggerhead turtle**, and special rules to protect it are enforced. Although the beach is open to the public during the day, night-time visits (8pm to 8am) are prohibited from May to September. A line of wooden stakes on the beach indicates the nest sites, and visitors are asked to keep behind them to avoid disturbing the nests.

This 4.5km-long strip of sand is 10km south of Dalyan's centre and accessible via road and the Dalyan River. Minibuses (20 minutes) run between the beach and Cumhuriyet Meydanı in the centre of Dalyan every half-hour in season (four services daily in winter). It costs 15 Turkish lira (one way)

## Nice and Clean

★★★★★ 5 of 5

Cerian T.

The villa was very nice and clean with everything there that we needed. It was very spacious and the pool was lovely. The owners were very helpful and it was very easy to arrange our stay with them, the property manager who we met while we were out there was very friendly and helpful as well. Dalyan was a really nice town with lots of restaurants and shops within easy walking distance. There were lots of things to do in the area, we particularly enjoyed the boat trips. We would definitely recommend this villa to friends and are looking forward to arranging another stay there in the future.

## Lovely holiday

★★★★★ 5 of 5

MaggieS  
Bath

June 2014 was our second visit to Villa Huzur having stayed there in September 2013. The villa has everything you could wish for and more, beautifully furnished and spotlessly clean. It is set in a quiet residential area, two minutes from a mini market which is just around the corner and Central Bar, a great place for breakfast, lunch or dinner if you don't fancy walking into town.

The owners provide lots of interesting information on what to see and do and have a local contact if you need anything, it's all very easy. A 20 minute level walk takes you to the town centre which has all the shops and restaurants you could wish for, ATM's, post office and bus stop if you want to go further a field without hiring a car.

Excellent restaurants sit alongside the river where you can watch the sun go down, enjoy good food, wine and beer, see the boats gliding by and if you are lucky catch one of the turtles bobbing up and down.

If you want takeaways and discos this is not the place for you, it's very laid back and all in a great setting by the mountains and river.

Villa Huzur in Dalyan is a really lovely place for a super relaxing holiday and we would definitely recommend it for couples or families.
